3) Install latest downloaded exe by clicking it.

**Installation in progress,
*please wait***

4) Login Application using Credential.

The screenshot shows a login application window for Invest360. At the top, there is a logo consisting of the letters 'I360' in a stylized font, with a yellow vertical bar behind the '3' and a blue line graph with an upward arrow to the right. Below the logo, the text 'Log In to Invest360' is displayed. The main form contains two input fields: 'User ID' and 'Password'. The 'Password' field has a small eye icon on the right side. Below the input fields, there is a checkbox labeled 'Quick Login' with a downward arrow. A large orange button labeled 'Log In' is positioned below the checkbox. Underneath the button, there are two links: 'Forgot Password?' and 'Reset'. At the bottom of the form, there are logos for 'NSE' and 'BSE', followed by the text 'SEBI SEBI Registration'. The footer of the application includes 'by Kambala Solutions v1.0.8' and three icons: a document, a refresh symbol, and a question mark.
